

PM Medical

The logo consists of the text "PM Medical" in a bold, black, sans-serif font. The letter "M" is stylized as a thick, black ECG (heart rate) line. The first two peaks of the ECG line form the "P" and "M" of "PM". The third peak forms the "M" of "Medical". A horizontal line extends from the bottom of the third peak to the right, ending in a thick, solid black bar.
